FIRST QUARTER 1997  
VOLUME 17 NUMBER 1

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

COVER: A 200% enlargement of a portion of the face of the IBNS sheet shown in full, actual size on page 39 of this issue.

◇

On this page in the last issue, I included a reproduction of an artist's proof engraving by Czeslaw Slania. It prompted at least one member to write (see p. 3), and for me to "dig-out" a 1991 booklet pane which I purchased in Chicago (WCSE'92) because it was so beautifully done, Slania signed it. Unfortunately, I can only reproduce it in black and white. The portrait in the upper left is steel blue, upper right in a light violet, and the total view in gray. The outside of the booklet, honoring Slania's 70th birthday contains a portrait sketch (probably not by Slania) and a brief text. The following information is from that text and a small publication I obtained at the same time, *Eye, Burn, Hand*, a booklet discussing the Swedish Post Office Engravers, of which there are but four: Slania; Majvor Franzén, their only female; Zlatko Jakus; and Arne Wallhorn.

Slania was born in Poland, 22 October 1921. He studied graphic art at the Cracow Academy of Art, one of the leading centers of art in Europe. Advised by his teachers to choose stamp engraving as the subject of his diploma project, this has been his speciality ever since. Slania went to Vienna for further study. The Albertina, with one of the world's finest collections of engravings, was a constant source of inspiration. Before he came to Sweden in 1956, he had engraved twenty stamps for the Polish government.

"The lines produced by his burin are sober, clear-cut and clean. Intricate systems of lines and dots impart a warm tone to the skin, a flowing quality to a lock of hair, silkiness to furs or a subdued sheen to metal objects. Goose Lisa, Ingmar Bergman's Silence and Zorn's Hinsanders are among the finest examples of his stamp engravings.

"No-one can match Slania when it comes to steel- engravings of other artist's work. To celebrate his coming [1991] 70th birthday he set to work on an engraving representing C.G. Pilo's huge painting of the coronation of King Gustavus III. He is a master of the intricate chiaroscuro in this painting, which is exceptionally dark in parts due to an excess of asphalt in the oil used by the artist. The smaller stamps in the booklet include two studies of 'King Charming' while still in his youth—both instructive

examples of the engraver's art. However, the engraver, like the concert pianist, only acquires this mature skill at the cost of countless hours of practice. The magnifying-glass, the burin and the deep little steel plate are his constant companions both on his travels abroad, whether to Poland, Brazil or Monaco, or here in Sweden."

◇

Bob Dumaine writing in his column in *Linn's Stamp News* (7 October 1996, p.54) reported that the U. S. federal duck stamp show appreciation card program has been discontinued with NAPEX'96. These cards, first issued in 1959 and 1960, were revived in 1984 and issued continuously since. Approximately 70 different cards (about 500 each) have been issued. They were given out, usually with the purchase of a duck stamp, as a thank you and to promote conservation. "According to Robert Lesino, manager of the federal duck stamp office, the program was ended because of 'various increases in paper and printing costs and a decline in customer participation.' Lesino said, however, that a special card would be issued for the Pacific 97 show...." They are not the annual Fish and Wildlife Duck Stamp card printed in color by the BEP. Neither of these cards, like some others reported earlier in this Journal, as well as in this issue, are intaglio printed. The question I ask, then, should information concerning such items be included in this Journal? Is there interest? I would appreciate hearing from those who collect other types of souvenir cards. Perhaps with an article on same?

◇

Finally, I would like to mention that if you want to contact me there are several ways—my address, telephone and fax numbers are listed on page 1 along with the other board/officers—I can also be reached by e-mail: [kriebewv@dunx1.ocs.drexel.edu](mailto:kriebewv@dunx1.ocs.drexel.edu) I would also like to advise the membership who have/use computers that I now have a program that will read from non-Macintosh sources, i.e., DOS-based machines. Therefore, you can send me your article on disk (3.5 inch please, with no viruses). All you need to do is "save" as a "text" file. (Please send along a hard copy/print out as well.) Obviously, illustrations will have to be sent by mail—fax copies are really not suitable for reproduction. Typewritten and dot-matrix printouts do not scan well on my optical text reader, especially if they are lightly printed. In any event, enjoy the new show season!

Time marches on. Baseball Spring training is in full swing and by the time you get this it will be opening day. Do you know what that means? Of course you do, and you too are working on your schedule of collectible shows that you will be attending, and meeting your fellow members and collectors. The New York chapter just had a great weekend celebrating their fifth anniversary with a banquet and souvenir card on 15 March. The society will be well represented at the PACIFIC'97 show in San Francisco, the International Paper Money Show in Memphis, and the American Numismatic Association convention in New York. The BEP will be at these events and it will be a good opportunity to expand your collection beyond the cards in your folders.

◇

My joy for the new season is tempered by the loss of another of our key founders. Barry Fox passed away in late December and he cannot be replaced. He was an integral part of our success and he provided an important service by being an active and reliable dealer. He was a market maker, buying and selling souvenir cards. There are many members who met Barry at a numismatic or philatelic show and learned about the broad base of souvenir cards. Barry was the most active dealer as respects Union material and he often showed portions of his collection at our meetings. He will be missed and I extend our condolences to his wife and sons.

◇

It is not too late to exhibit at Memphis in the new "Souvenir Card" category. If you need details, contact John Parker or the IPMS exhibit chairman. We will be presenting the first "Jim Thompson" best

exhibit award there. We also recently heard that, due to budget constraints, the BEP will not be sending the Spider press to Memphis. I am disappointed by this because some of the best material in my collection is the Spider press proofs that I have won or purchased at the BEP name drawings.

In conjunction with the PACIFIC'97 show the BEP will be issuing another handkerchief, so keep your eyes open for ordering details.

◇

This is an election year for our society. If you want to join the board, please contact any of the officers. So far, the response has been underwhelming!

◇

For many of you, this will be the last issue of the Journal because we have not received your 1997 dues. We need your support to allow the society to issue four quality journals each year plus the free member's card. Therefore, I urge you to continue your participation by sending in your dues.

◇

Finally, the publisher of the new souvenir card catalogue has informed me that he is aiming to go to press at the end of March. We hope to supply purchasing details in the next issue. We will try to obtain a discount for our members. It is important that the membership support the publisher by buying this catalogue. If this fully illustrated catalogue achieves its goals, it will be a valuable tool that should substantially increase interest in souvenir cards and perk up the demand for back issues.

## 1997 SOUVENIR CARD COLLECTORS SOCIETY DUES ARE DUE

If "1996" appears above your name on the address label of this issue, your dues for 1997 have not been paid. If we do not receive your dues renewal, we will have to assume you are no longer interested in our Society, the Annual Members Intaglio Card, or this Journal. Your officers are not paid, but we need your dues to fund activities and provide you with information and services, and this Journal. Please remit them today. An addressed envelope was included in the binding of the third quarter 1996 issue. If you have lost or misplaced it, please use your own envelope and send your dues check or money order (please include your membership number), in U. S. funds, made out to "S.C.C.S" to:

**Dana M. Marr, SCCS Secretary, P.O. Box 4155, Tulsa, OK 74159-0155**

**Please Note:** Information regarding your membership status and/or receipt of the Journal should be sent to Dana Marr. Articles, illustrations and/or comments for or about the Journal should be sent to the Editor. Thank you for your cooperation.

My thanks to Ed Kintop for his holiday card.

It saddens me to report the untimely death of Maryland dealer Barry Fox (Quality Coins), at age 52, on 20 December 1996.

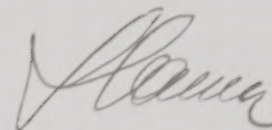

Paul Melnick, for one, appreciated seeing the work of engraver Czeslaw Slania in the last issue of this journal (inside front cover). According to Paul, it was his interest in Slania that got him interested in intaglios and souvenir cards more than stamps.

Slania fled Poland in the 50s and has lived in Sweden since. He's done over 900 postage stamps for at least 20 countries [a Swedish booklet pane, autographed by Slania when he was in Chicago is illustrated at right], as well as labels, portraits, "private stamps" and banknotes for several nations. He advises that there is a Slania Study Group, P.O. Box 1382, Milwaukee, WI 53201.

Samuel Resnick has forwarded a copy of his second publication, *Vatican City State International Souvenir Cards*, which is his illustrated catalog and contains notations on his collection. His previous volume in the same spiral bound photocopy format was *Israel International Show Cards*, some of which were illustrated earlier in this Journal. If you are interested in either of these, you may wish to contact him at 3074 Ventnor-P, Deerfield Beach, FL 33442.

It is my fervent wish that the SCCS re-establish the position of "Librarian," so that there would be a method of sharing such information as well as providing a location for storing it along with related books and articles relating to our hobby.

The 24 February 1997 issue of *Linn's Stamp News* had a brief report on PACIFIC 97 set for San Francisco 29 May-8 June 1997. The Bureau will have an exhibit, "One Common Endeavor-The 20th Century Collaboration of Craftsmanship and Automation," which "portrays through postage stamp material and photographs, the artistry and technology the Bureau uses in the production of U. S. postage stamps." A Spider press will produce limited edition cards available only at the show. Tuesday, 3 June, will be "BEP day" and four seminars are planned. *Linn's* is preparing the official program for the show which is scheduled for mailing in early May.

Dana Marr received a note from a non-member offering a small collection (with duplication) of BEP cards, mostly 70's ANA shows. Some of the cards have "residue" on them. If you are interested, contact William C. Blynn, Box 314, 12900 Lake Avenue, Lakewood, Ohio 44107-1545.

Rich Brinton forwarded a copy of a non-intaglio souvenir card (next page) that is available from Gary Reed, 1141 Cedar Ridge Lane-Apt. 1, Park Hills, KY 41011 (606) 581-3545. While supply lasts they are \$2.00 each or \$3.00 each with show cancel (add \$1.00 per order for shipping). [The background has a tone over it which makes it difficult to reproduce with the equipment available to me. Ed.]

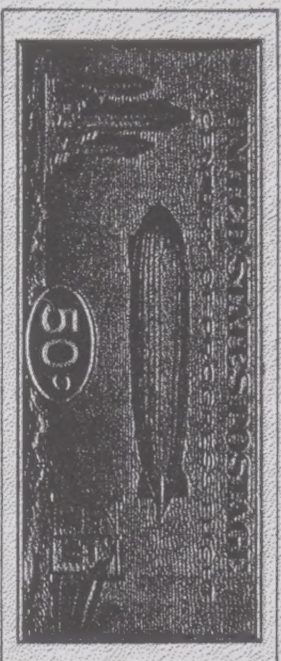

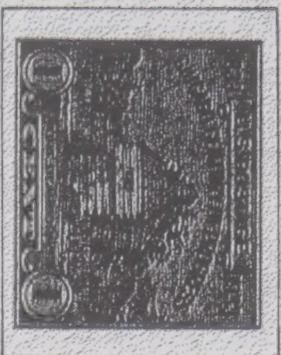

Another souvenir card issued by security printer Ashton Potter for CAPEX'96 is illustrated on p. 13, this issue, courtesy of Paul Melnick. This was received in response to the CAPEX card illustrations (pp. 42-44) in the last issue of this Journal.

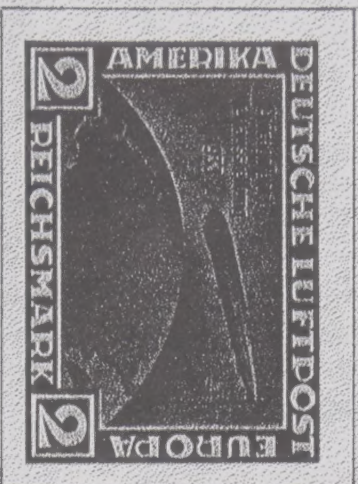

CINPEX '83

GREATER CINCINNATI PHILATELIC SOCIETY  
HONORING THE 50th ANNIVERSARY OF THE  
CHICAGO FLIGHT OF THE GRAF ZEPPELIN

OCT. 21-22-23, 1983

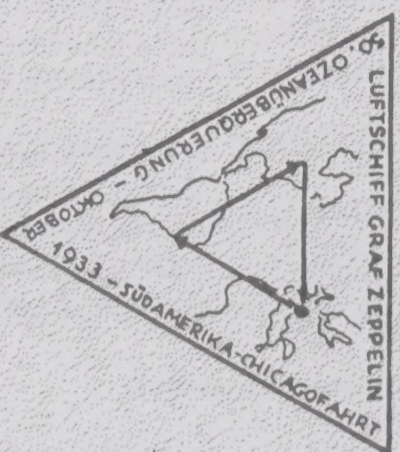

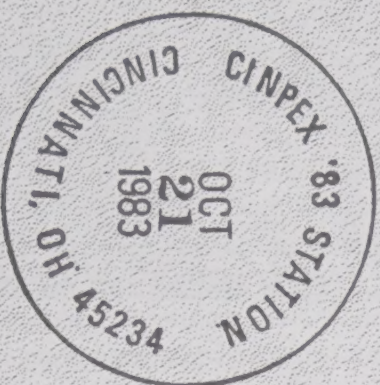

UNITED STATES COMMEMORATIVES

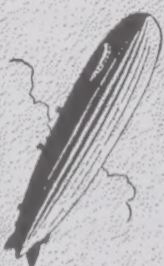

GERMAN COMMEMORATIVE SET

In 1933 the Graf Zeppelin celebrated its 5th anniversary. It made its fifth visit to the United States in October of that year. Both the United States and Germany issued special stamps for the flight. The flight of the "Graf" was its 50th crossing of the ocean.

The United States stamp was issued October 2 and some covers were sent (with cancels of October 2, 3 and 4) to Germany for service on the entire flight. The "Graf" left Germany on October 14, stopped at Recife, Brazil, on October 17, Rio de Janeiro on October 18, Miami on October 23, Akron on October 25, Chicago on October 26, Seville on November 1, and Germany on November 2. Special cachets were applied at Miami, Akron, and Chicago.

THE GERMAN CACHET  
FOR THE FLIGHT

An article in the Fourth Quarter 1996 issue of The Souvenir Card Journal (18:4, pages 5-9) described several souvenir cards relating to Disney. These cards, while not intaglio printed, were prepared with high-quality printing processes. This new article describes a small number of cards that, while interesting, do not meet the printing standards of those cards discussed in the referenced article.

In 1971 a card (page 6) was issued showing, in full color, several San Marino stamps depicting Disney characters. Shown in the center at the left is Donald Duck on a 5L stamp listed as Scott number 740. (Note: All catalog numbers in this article are from the Scott Standard Postage Stamp Catalogue.) Across the bottom of the souvenir card are 741(a 10L stamp showing Goofy), 736 (1L Black Pete), 744 (90L Mickey Mouse), 738 (3L Pluto), and 742 (15L Scrooge McDuck). These are all from the 1970 San Marino set of Disney stamps (736-45). Below the stamps in parentheses are the words "Illustrations of Six of the Nine Stamps Honoring Disneyland Issued by the Republic of San Marino." To the right of the Donald Duck stamp and above the Black Pete stamp, reading upwards, are the words:

DISNEY MAXI-CARD  
STAMP EXPO'71  
INTERNATIONAL  
STAMP COLLECTORS SOCIETY  
ANAHEIM, CALIFORNIA  
THE CITY OF DISNEYLAND

At the upper left is the word, "-FROM-." At the upper right, with one word per line, are the words, "PLACE STAMP HERE FOR MAILING."

This card has a double border with blue on the outside, and orange simulated perforations on the inside. The card is 8.5" x 5.5". While not quite meeting the printing standards of the previous cards, this card is still quite well done.

In 1972 it appears that the above 1971 card was recycled. The card is the same as the 1971 card except that 'STAMP EXPO '72' has been added, also reading upwards. The card seen has a MAR 26 1971 cancellation as well as an APR 16 1972(?) cancellation. The wording of the 1971 cancel has "INTERNATIONAL POSTAGE STAMP EX. STA." and "ANAHEIM, CA" across the bottom. The 1972 cancel says, "STAMP EXPO/ANAHEIM CA" across the top and

"APPLAUDS APOLLO" across the bottom. There is a rocket to the left.

In 1978 more recycling took place. This time a gummed label was added, covering the text on the 1972 card. The label says:

DISNEY SOUVENIR CARD  
STAMP U(PO '78  
MARCH 24-26  
INTERNATIONAL  
STAMP COLLECTORS SOCIETY  
DISNEYLAND HOTEL  
DISNEYLAND, USA

While this presumably exists as described, the author has only seen it as a label under the additional 1987 label described below.

In 1987 it was time for further recycling - a new gummed label was added covering the 1978 label. It says:

CONGRATULATIONS  
SNOW WHITE  
DISNEYLAND, USA

The card (page 7) seen has a Snow White cancel dated July 17, 1987. The text of the cancel says, in three lines, "Celebrating the Golden Anniversary of / Snow White / and the Seven Dwarfs." The round part of the cancel says, in addition to the date, "Disneyland Station / Anaheim CA 92802."

Considering the above reuses of the 1971 souvenir card, it would seem likely that there are others of a similar nature. However, this article only describes those souvenir cards actually seen, or for which there is strong evidence, such as the 1978 card.

"Stamp Expo" also provided a 1980 souvenir card. This card (page 8) is printed in black on an orange card stock. It shows the United States 6c Disney stamp (Scott 1355) at the left. On the right-hand side are the words "HAPPY BIRTHDAY / DISNEYLAND" in large letters followed by "...where dreams / have been coming / true for / 25 years." . Forming a border around the left, top, and right is text listing features of Disneyland, such as Bear Country and the Electrical Parade. Words beginning with "STAMP EXPO '80" form the bottom portion of this border. The card is 7" x 4.5".

This card is known with the following cancellations:

20-22 March 1981, "Turks & Caicos Islands" Stamp Expo South, Anaheim, California"

July 17, 1987, "Celebrating the Golden Anniversary of Snow White and the Seven Dwarfs" (same cancel as on the above 1987 card with gummed labels)

There is one additional Stamp Expo card (opposite, bottom) that includes a Disney stamp design. The

release date for this card is unknown. It measures 7" x 5" and is printed in blue on white card stock. Across the top in two lines are "STAMP EXPO SALUTES / The Spirit of Freedom and the Greatness of America." Below this heading six United States stamp issues are shown. These are the Statue of Liberty (Scott 566 or 696), Ralph Waldo Emerson (861), Four Chaplains (956), First Man on the Moon (C76), Walt Disney (1355), and Baseball Centennial (855).

## COLLECTORS CLUB CARDS

Leo J. Stawicki (1246)

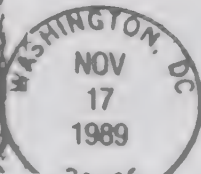

While trying to organize some of my collection, I came across souvenir cards issued by the Collectors Club of Chicago held over Labor Day weekend in 1989.

Card No. 4197 has a FDOS cancel, 1 September 1989, on No. 2410 and a FDOI on No. 2433, 17 November 1989 at World Stamp Expo'89.

Card No. 3345 has a FDOI as well as FDOS cancel, 17 November 1989 at World Stamp Expo'89 and LDOS on 3 December 1989.

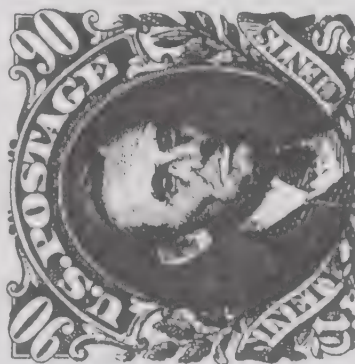

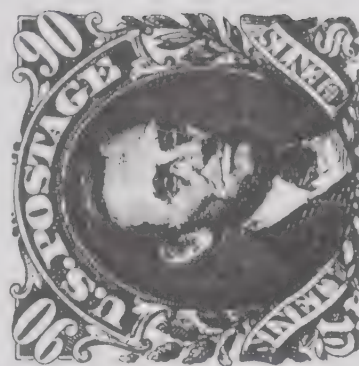

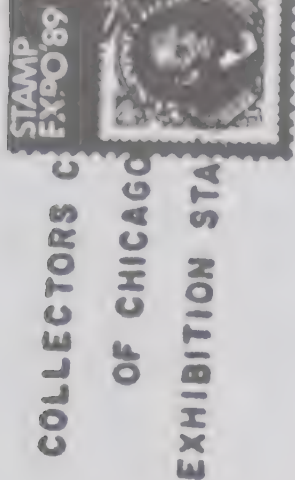

These two cards are shown here (next pages). The two embossings, the CCC logo (left) and the facade of the Cabeen House (right) do not reproduce well.

### SOUVENIR CARD JOURNAL BACK ISSUES AVAILABLE

The Souvenir Card Journal has been produced since 1981. Back issues include informative articles and information not to be found elsewhere regarding souvenir cards and related material. If you missed any:

Journals for the years 1981 through 1985 are available for \$10.00 per year (four issues); \$2.50 per issue. For 1986, 1987 and 1989: \$12.00 per year; \$3.00 per issue. For 1988 (one combined issue incorporating the first SCCS Catalog), a special price of \$22.50 for a "working" copy. For 1990 through 1994: \$20.00 per year; \$5.00 per issue. Note: For a very few issues, but including the Summer 1991 (Vol. 11, No.2), these issues will be photocopies as the originals have all been sold out or dispersed at shows. Last year, I joined the American Political Items Collector (APIC) society. I believed that this would open new avenues of opportunity for obtaining additional political paper collectables I am currently seeking for my collection. I was wrong. Most items which are offered for sale are only available through auctions. The mass majority of items for sale are political "Buttons" (I personally place the hobby of button collecting in the same category as beer can collecting!). There has been little engraved political paper offered during the previous auctions. The price one might pay for all the auction catalogues could well exceed a three years subscription to the Souvenir Card Collectors Society Journal.

Then it occurred to me that the APIC might be an appropriate membership to approach for recruiting new members. We might have to expand our auction to include other political paper (not currently "listed"). However, we do have "listings" for a robust assortment of high quality, extremely desirable, engraved political paper ephemera. By expanding our auction to include a political section, APIC members can be approached with a Journal that contains an area of interest to themselves. (I mentioned previously that little engraved paper has been offered in these APIC auctions; however, the demand (and prices offered) for these items were substantial (and somewhat outside any price I would consider). I believe members from this APIC could give our society a "shot in the arm" both in increased membership, and by providing additional participation in our SCCS auctions.)

To further entice membership from the APIC ranks, I would suggest a reprint of the two part article on William McKinley written by Curt Radford several years ago. This was not only the finest article I have read in our Journal (and I have read all previous Journals), but any other periodical I have access to.

In keeping with the spirit of the theme of this article, I have illustrated on the following pages political paper both "listed" and "unlisted" in the current SCCS numbering system. The first photocopy illustrates two Convention Tickets (?) or Badges (?) from the 1844 Whig and/or Democratic Convention held in Baltimore, Maryland. These items were produced using rag paper. It is for this reason, I believe these items to be Convention Tickets rather than Convention Badges. The older Convention Badges were produced using silk, which is more durable for the purpose intended. Rich Brinton is currently researching these tickets. I expect Rich will share his findings in this Journal at a later time.

Several of the next five items illustrated are listed in our SCCS numbering system as Convention "Sergeant-at-Arms" Certificates. As observed, these certificates were not only presented to the Honorary "Sergeant-at-Arms," but also to the "Doorkeeper," "Page," and "Asst. Secretary." Although the recipients are different, the SCCS listing is "generic" as to the certificate. All featured certificates were engraved by E.A. Wright. Thus:

1. 1936 Democratic National Convention (no SCCS listing)
2. 1940 Democratic National Convention (no SCCS listing)
3. 1944 Republican National Convention (FSO 1944A)
4. 1948 Republican National Convention (FSO 1948A)
5. 1952 Republican National Convention (no SCCS listing)

Another "run of the mill" auction this time, with a good mix of mint and show-cancelled, numismatic and philatelic, official and private, etc. for sale. It is a little smaller than normal, solely due to the fact that the listing is being prepared quite late, and cannot be revised to "fill in" some gaps and still meet the editorial deadline. Rest assured that there is still quite a bit of material on backlog.

As usual, there are a number of lots with NO MINIMUM BID specified by the consignor other than the overriding \$5 per lot auction minimum. Included in this auction are a number of the BEP spider press proofs, originally issued at \$20 and now retailing for twice that amount, or more. They probably will not sell for the absolute minimum, but a few bargains can undoubtedly be had with a little perserverance and a little luck.

The Third Quarter 1996 sale was moderately successful, with about \$3,500 in sales and a \$450 net return to the Society treasury. This was typical for recent auctions, but considerably less than those of a few years ago. The Society would greatly appreciate it if you would spend a few minutes perusing the following lots to see if there is anything of interest for your collection.

#### AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN MAY 20, 1997.

2. Send all bids and auction correspondence to the Auction Manager: Ken Barr, P. O. Box 32541, San Jose, CA 95152. Telephone inquiries may be made until 10:00 PM Pacific time at 408-272-3247. E-mail bids may be sent to "bids@kenbarr.com".

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids. Duplicate lots may be available; feel free to indicate if you want more than one copy of any lot(s).

4. Bid processing will be done manually, so special instructions can be given. "OR" bids ("bid \$10 on lot 101 OR 102, one lot only") are acceptable, as are "maximum expenditure" limits ("please limit total winning bids to \$100 maximum"). Feel free to bid on any lots desired with the security that your winnings will be limited to the amount specified.

5. All items will be sold to the highest bidder. Bid reductions will generally not be made unless noted on special high-value lots.

6. Please observe a minimum bid of \$5 per lot. Some lots have higher minimums, denoted as MB \$xx in the lot description. Estimates (EV \$xx) are for information only, and have either been provided by the consignor, the current SCCS catalog, or the Auction Manager.

7. Lots will be shipped via insured U. S. Mail unless otherwise requested. Postage and insurance charges will be included in the bidder's invoice.

8. Successful bidders are to remit payment in full in U. S. funds within five days of receipt of their invoice. Late payments may disqualify the bidder from participation in future auctions.

9. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are not sufficient reason for return.

10. The Auction Manager reserves the right to withdraw any lot and to reject unrealistic bids.

11. A "Prices Realized" list will be available shortly after the auction. All bidders and consignors will receive copies. Others may obtain one by sending a self-addressed stamped envelope to the Auction Manager.

12. Members wishing consignment information should write to the Auction Manager for details.

### FUN'97 SOUVENIR CARD

The Bureau exhibited at the Florida United Numismatists (FUN) 42nd Show, 9-12 January, at the Orange County Convention/ Civic Center in Orlando, FL.

The card (above) produced for the show features the face of a silver certificate from the 1886 series of bills emphasizing the country's emergence as an important international power.

Allegorical figures on the note, a strong woman representing agriculture and a hammer-carrying man standing for industry, highlight two of the main forces that propelled the United States to prominence at that time. "The American Allegory" —an allegory is a story with a second meaning—will be the Bureau's theme for activities in 1997.

At the center of the bill is a portrait of Daniel Manning who was Secretary of the Treasury from 1885 to 1887. Manning's portrait was engraved by Lorenzo Hatch (miscellaneous die No. 3444).

The female figure on the bill is a woman holding fruit and wheat flowing from a basket called a cornucopia. The male figure for industry holds a sledgehammer described as a tool "for driving wedges and posts, and for other heavy work." Industry in this sense was also intended to serve as an allegory for harnessing human effort as a force for the production of goods and services.

Such representations were often used in the period a century after the nation's birth to symbolize America's pride in its achievements.

Engravers of the die included George U. Rose, Jr., David M. Cooper, and Louis Delnoce.

[Editor's Note: These two souvenir cards are illustrated full-size on the next two pages.]

### LONG BEACH COIN & COLLECTIBLES EXPO SOUVENIR CARD

The forceful figure of Liberty guarding the American flag is featured on the souvenir card which was introduced at the Long Beach Coin & Collectibles Expo in Long Beach, CA.

The engraving features a graceful woman standing in front of an American flag. She wears a Phrygian cap, originating in the Middle East in ancient times, which became a symbol of liberty during the French Revolution. The symbol was adopted by American artists during the 19th century and was featured on many illustrations. The figure is holding a fasces, a bundle of wooden rods bound together. The fasces was a mark of authority in ancient Rome and came to be regarded in the United States as a symbol of unity. The illustration also includes an anchor, often the symbol of hope.

The portrait was used for a number of securities, including a lock-seal (miscellaneous die No. 1528). Lock-seals were pieces of paper inserted by the Internal Revenue Service in locks guarding the integrity of distilled alcohol in warehouses. If the seals were pierced by a key, the broken paper showed that somebody had tampered with the lock. Lock-seals were used for nearly a century until 1972. Collectors often consider them to be "revenue stamps."

The dramatic engraving was completed by Charles Kennedy Burt (miscellaneous die No. 3254) in 1872. It contains a variety of emblems which are allegories for such qualities as liberty, union, justice, and hope, all important concepts in the formation of the American nation. Charles Kennedy Burt was a prominent Scottish-born [1823] engraver who migrated to New York in 1842. He spent several years engraving Da Vinci's "Last Supper." He was privately employed, but did much of his work in later years for the Bureau. He also painted in oils and water colors, and died in New York in 1892.

It pays to look through dealers' boxes. I was contacted by one of our members and he stated that he found a souvenir card printed by the American Bank Note Company that he could not identify. He described the card to me and I did not recognize it. From the description it was produced as part of the 500th anniversary of the discovery of America by Christopher Columbus celebration.

As you can see by the illustration (opposite), the card contains reproductions of two stamps printed for Chile by the American Bank Note Company. The key wording is at the bottom of the card where it reads: "*produced exclusively for World Wide Classics Incorporated.*" The back of the card, which is difficult to illustrate, has a "Certificate of

Authenticity and Edition Limit" text (transcribed, below).

The key clue is that the piece is not numbered. Therefore, I assume that it was an essay for a planned program that never materialized. I was not previously aware of this card. In 1991, all the cards that we saw were produced by American Bank Note Commemoratives who had the rights to produce souvenir cards. If it is an essay, then it would not be listed as an SO card.

Do you know what this is? Did anybody ever receive a solicitation from World Wide Classics? Can you supply any details?

## CENTENNIAL INTERNATIONAL EXHIBITION

Philadelphia

Pennsylvania

The Centennial International Exhibition, held in Philadelphia, Pennsylvania, showcased industry's progress and achievements on the occasion of the 100th Anniversary of the United States of America. To accommodate attending guests, admission tickets for this historic event were printed in black ink by the Philadelphia Bank Note Company from specially prepared, engraved steel plates, using the Intaglio printing process.

Executed by skilled printers and engravers, this unique process has remained virtually unchanged during the past hundred years, and employs the same techniques used by the Bureau of Engraving and Printing, the American Bank Note Company, and other security printing firms, in the production of today's currency and financial instruments. Several minor varieties of Centennial Admission Tickets exist, with one such original example displayed above.

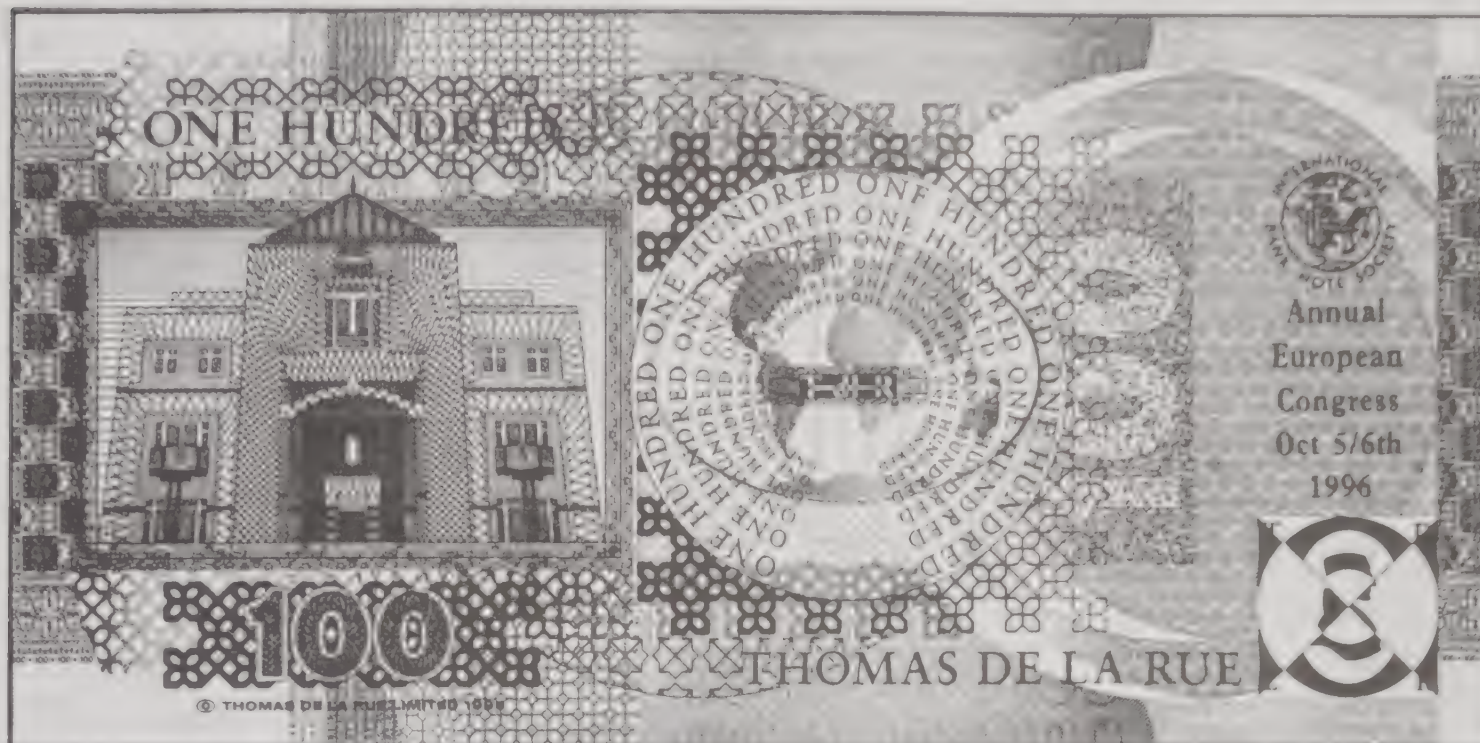

## 1996 IBNS TICKETS AVAILABLE

**William Kriebel (27)**

Pictured below (full size but, unfortunately, in black and white) are both sides of the multi-colored intaglio sheet produced for the International Bank Note Society's Annual European Congress, 5-6 October 1996. Individual sheets were available (\$6.50 ea., ppd.) from Gary Snover, P.O. Box 9696, San Bernardino, CA 92427-9696. (909) 883-5849, fax (909) 886-6874.

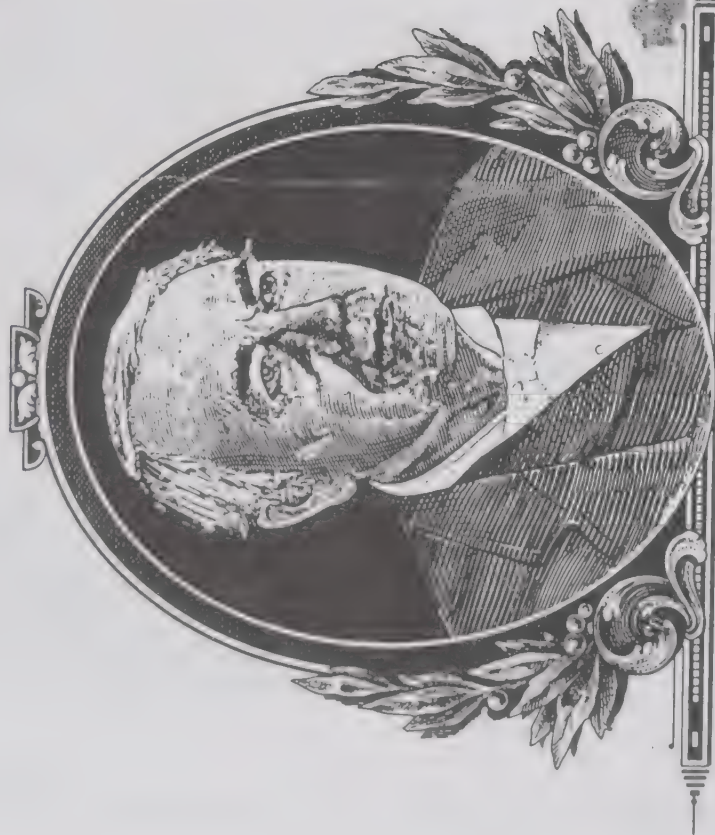

I am not sure how many of these sheets have been issued. Earleir copies have appeared in this Journal (12:1, pp.12-21; 13:1, pp. 16-21). If any member has a complete listing of these sheets/cards or other intaglio printings, I would be pleased to list them here. I would also like to illustrate any which have not been previously reproduced in this Journal.

## METRO CHAPTER FOUR

The next Chapter meeting will take place at the ASDA Mega Event on Saturday, 15 March at the New York Coliseum. Chapter officer elections will be held. Nominations were due 31 December.

The Chapter will celebrate its 5th anniversary in 1997. A Banquet is planned for Saturday, 6 p.m., at Beefsteak Charlies, 8th Ave & 52nd Street. Partially subsidized by the Chapter with a special banquet card given to attendees. Reservations are limited to 60 people and were due by 9 March.

The Chapter is working on a souvenir card in connection with the sesquicentennial of the birth of Thomas Alva Edison. The current card [opposite] is slightly different than that shown in the last issue. A limited number of cards have been canceled on 11 February in Milan, Ohio at the Edison Birthplace Museum and a second cancel was applied at the Edison Museum in West Orange, NJ, with appropriate stamps related to Edison's career and the history of the laboratory in West Orange: the 1947, 3¢ Famous American portrait (Scott 945); the 1977, 13¢ 100th anniversary of the phonograph (invented and built in West Orange) (Scott 1705); the 1977, 13¢ 75th anniversary of sound motion pictures (also invented in West Orange) (Scott 1727); the 1983, 20¢ Nicola Tesla and Charles Steinmetz stamps (Scott 2055, 2057) from the four inventor's set (both worked for Edison at one time); and the 1996, 32¢ William Dickson and Edward Muybridge stamps (Scott ?) from the Pioneers of Communication set (Dickson worked for Edison in West Orange, Muybridge collaborated with, but never worked for, Edison).

Mint cards are \$5.00 and canceled cards are \$6.50. They will be available at the MEGA show and afterward, by mail, plus \$1.50 shipping. Mail orders may be sent to: Steve Goceliak, P.O. Box 157, Fords, NJ 08863, with checks made payable to "Souvenir Card Collectors' Society, Metro 4." (Additional information, Cliff Joseph at 201-228-2082.)

On 7 June, the Edison Museum in West Orange will hold a street celebration. The Chapter will have a booth, and another pictorial cancel will be available. Proceeds from the card sales will be shared by the Chapter, the Edison Museum and the Union members who worked on the card.

## WASHINGTON CHAPTER ONE

Last year, Washington Chapter One attended a full schedule of events. We participated in the Chapter One Souvenir Card Swap Meet at SPRINGPEX, the Suburban Washington/Baltimore Coin Show, the NAPEX Exhibition, and the BALPEX Exhibition. It was felt by many that this program was too ambitious. This year we only plan participation at the NAPEX'97 and Balpex'97 Exhibitions. We also have planned an informal get-together, during the afternoon (Happy Hour) of the Formal Dedication of the Franklin D. Roosevelt Monument. We had tentatively considered a banquet following our annual meeting at NAPEX. However, NAPEX conflicts with the weekend of the International Paper Money Show at Memphis. Many of our members, those who traditionally attended from out-of-town, and supportive staff from the Bureau of Engraving and Printing, will be attending the Memphis show; thus, poor attendance would be anticipated for this event (perhaps next year we will entertain a banquet). In addition, Metro Chapter 4 has announced a Fifth Year Celebration Banquet in March. It is hoped that those desiring the opportunity to participate in a Society Banquet will support Metro Chapter Four's celebration in March.

The theme for this year's Meeting card will be the "Opening of the Franklin Delano Roosevelt Memorial". The engraved cachet by Henry Grimsland (see the "Grimsland" 1945 Franklin D. Roosevelt, Globe and Four Freedoms' First Day of Issue Cover - Scott #933) will be featured on this card. Excerpts of conversation between Franklin D. Roosevelt and Felix Frankfurter discussing F.D.R.'s wishes concerning a monument for himself are also highlighted on this cards. His desire was not the current "City Block" our government is constructing in honor of him (which could house half of the homeless in the Washington, DC. area), FDR had more modest intents! You will have to purchase this card for more details! Since the final design of this Meeting card is still under development by our Chapter One resident "Master Souvenir Card Designer", I have illustrated (p. 42) the first pass of this card (as conceived by our Chapter One "Less-Than-Master Souvenir Card Designer").

"Hand-Pulled" Proofs (several vignettes are still under consideration) will also be available. A limited number of these will be printed for each show!

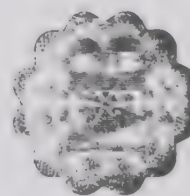

# COMMEMORATING THE 1997 OPENING OF THE FRANKLIN DELANO ROOSEVELT MEMORIAL

Roosevelt Memorial  
1882 1945

*Franklin D. Roosevelt*

*"... I would like it to consist of a block ..."*

"... I am telling you as to my wish in case they are to put up any memorial to me ... I should like it to be placed in the center of that green plot in front of the Archives Building ... I would like it to consist of a block about the size of this (putting his hand on his desk). I don't care what it is made of, whether limestone or granite or whatnot, but I want it to be plain, without any ornamentation, with the simple carving "In memory of \_\_\_\_". That is all, and please remember that, if the time should come."

President Franklin D. Roosevelt to Felix Frankfurter  
on September 26, 1941*

## THE PILGRIMS IDENTIFIED

Frank Clark (264)

One of my favorite souvenir cards is F 1981 B for the NAPEX'81 show. The vignette (below) is of a proposed \$2.00 note depicting the "Embarkation of the Pilgrims" and was engraved by Joseph Prosper Ourdan in the 1860s. The design was never used. The original painting by Robert W. Weir is in the rotunda of the U. S. Capitol. This is the description on the card, but I have often wondered on this and other engravings containing groups of people, who are all these people?

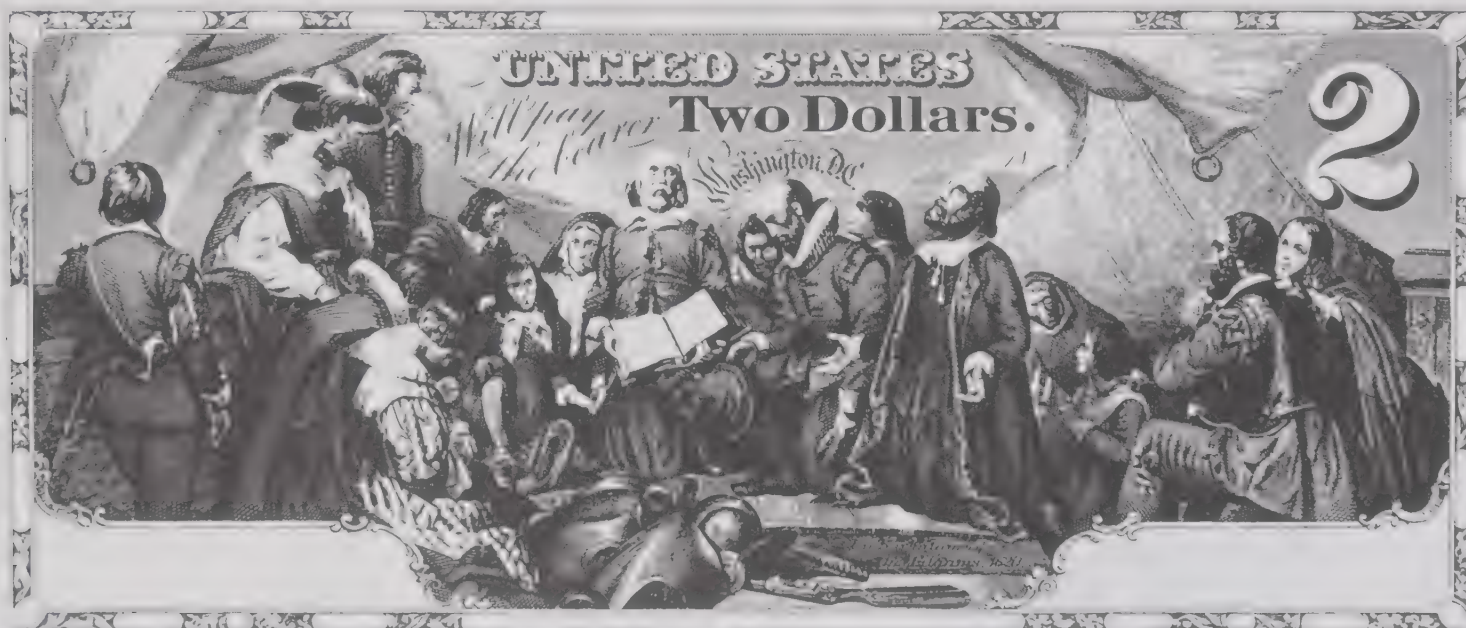

Well, with the help of *Compilation of Works of Art and Other Objects in the United States Capitol*

(Washington, U. S. Government Printing Office, 1965), I am able to decipher who is who on this souvenir card along with several other souvenir cards. Not only is the original painting pictured (opposite, above), but a legend (opposite, below) is below the picture that names the individuals.

The Pilgrims embarked at Delft Haven, Holland, on 22 July 1620. The scene shows the Pilgrims in prayer. The original painting was purchased for \$10,000 and was finished in 1847.
